

Napoleon DeVilla

1736 Stuart St., Apt. A | Berkeley, CA 94703 | (831) 229-9694 | ndevilla511@gmail.com

OBJECTIVE

To utilize the skills, knowledge and experience I have acquired from my education and self-study in programming to seek a career in front end web development.

TECHNICAL SKILLS

Programming Languages: HTML5, CSS3, JavaScript, Sass

Libraries: jQuery

Tools: JetBrains WebStorm IDE, Git, GitHub, Chrome DevTools, gulp.js taskrunner, GIMP Image Editor

Techniques: Responsive web design, performance optimization, AJAX

SUMMARY OF QUALIFICATIONS

- Quick to learn and adapt to new tools, methods, and environments
 - Displays competency, independence, and ability to successfully perform duties as they are assigned
 - Excellent analytical and problem solving skills
 - Structured and organized, adhering to set schedules with strict goals and deadlines
-

EDUCATION

University of California, Berkeley

Bachelor of Arts, Physics

Graduated May 2013

EXPERIENCE

Copy and Print Associate, Staples Inc., November 2013-Present

- Consistently delivered in a deadline-oriented environment to complete copy and print orders for customers, with attention to detail
- Demonstrated ability for teamwork and effective communication with co-workers to successfully complete orders in an organized way

Coursework

Computer Science with Scheme

- Gained experience in basic programming principles and best practices with the language Scheme

Basic Semiconductor Circuits

- Demonstrated ability to learn the tools necessary, such as the oscilloscope and multimeter, to complete tasks in the lab
- Continued to learn programming principles with LabVIEW and MATLAB to collect data in experiments

Advanced Physics Laboratory

- Conducted and reported on 4 extensive classic physics experiments that required much problem solving and troubleshooting to get them running

Treehouse Front End Web Development Courses

- Self-taught education in front end development, completing 12 projects on HTML, CSS, JavaScript, and more
-

VOLUNTEER

Volunteer, Cal Rotaract

- Participated in various community service events such as building water sanitation indicating devices, renovating youth centers, assisting toy and food drives

Volunteer, Cal Community Music

- Performed pieces of music for the elderly in centers around Berkeley
